Appreciation Letter

We hereby confirm that M/s Premier LPG Ltd is our industrial LPG supplier since 2015 and earlier we were taking supplies from Super gas at a very high price in comparison to what they offered and we have been very happy to have been associated with them. We haven't taken a single kilo of LPG from anywhere else since their supplies began and are very satisfied and content with their dealings. Wishing them a great future.

Yours Truly,

For M/s Rajshree Global Pvt. Ltd.
